

Sports Premium Statement – 2018/19

What is the Purpose of Sports Premium?

The Sports Premium Grant is additional funding from the Government to improve the provision of PE and sport in primary schools. The funding is being jointly provided by the Department of Education, Health and Culture, Media and Sport and is allocated directly to primary schools. Schools have the freedom to choose how they do this.

Vision:

All pupils should be leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objective:

Achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Indicators:

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

For 2018/19 Nansen Primary School has been allocated £23,200
