

Our Learning Journey

- Study a water related poem and write your own (there are several relevant poems to choose from on poemhunter.com)
- Research an area of the world where conflicts may occur, such as where a main river flows through many different countries
- Explore the history of sanitation in your country- for example, when were the first sewers installed and what impact did this have?
- Research different technologies to provide sanitation solutions, for example those provided by Water Aid or Practical Action

English/Reading

- All the Water in the World by George Lyon
- Clean Water for Ellirose by Aria Fine
- A Drop around the World by Barbara Mckinney
- Water Dance by Thomas Locker
- The Water Hole by Graeme Base

Maths

- Calculate the amount of water your family uses in a day, and compare this with water used in a less developed country
- Use measurement to explore litres, millilitres and gallons
- Complete tally charts/bar graphs to record the amount of water used during the school day

Project Ideas

- Design your own sanitation system that could be used in a less developed country
- Create and perform an advert about the importance of clean water and sanitation and upload it to the school website/Twitter
- Create posters and/or a display about steps we can take to respect our water and support those with less
- Hold a cake/bake/handmade item sale within your year group to raise money for charities supporting the cause
- Visit a local sewer to explore sanitation in our country
- Produce artwork based around the importance of clean water and display in a gallery event for parents

Year 4

6 CLEAN WATER AND SANITATION

SMSC

- Children should learn and explore about the world around them- how is our country different to others?
- Ask and answer reflective questions such as “Why is water important to you?” and “ How would you feel if your water was limited?”
- Link to the Right to Water
- Understand the consequences of our actions on the environment
- Participate in the local community by taking part in different fundraisers and charity events that promote the cause
- Explore how countries have changed and developed over time
