

19th December 2018

Dear Parent(s)/Carer(s)

PARENT GOVERNOR APPLICATIONS

I wrote to you on 28th November 2018 to invite applications for the two vacancies we currently have for parent Governors to join the local governing body at Nansen Primary School.

I am pleased to inform you that we had two applications for the vacancies. As we had the same number of applications as we had vacancies, this means we do not need to hold an election. The Trust is undertaking due diligence checks on both applicants to ensure their suitability for the role, and assuming that these checks are satisfactory, both applicants will be appointed to the local governing body to fill the two parent governor vacancies.

I will write to you again in January 2019 once all checks have been completed to formally advise you of the names of the two parents who will be appointed to the local governing body at Nansen Primary School.

I would like to express my thanks to the parents who applied for the role as parent governor, and to you all for supporting the process.

Yours faithfully,

Becky Perkes
Head of Governance, CORE Education Trust
