Learning Journey

Theme: 'Muck, Mess and Mixtures'

Let's get messy!

Dive in and get your hands and feet all sticky. Children will play with liquids, squish some dough and check out the slushiest and mushiest foods.

Pour, mix, stir, splat! How does it feel to get your hands covered in goo?

The children will work with paint and other squelchy stuff to create a new gallery space.

Don't worry about the mess...it'll always wash off!

Science

Theme: 'Everyday Materials'

The children will learn:

To identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses

How the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.
